

Lectures of foreign professors

In October, 2018 Institute of arts, culture and sport of KAZNPU of Abay attended Karatayene Dahl Ramute's visit professor (Vilnius state University of Vitovt Veliky, Lithuania) and Larisa Ivanovna Nekhyadovich (The Altai state university, the Russian Federation). To undergraduates and doctoral candidates of institute courses of lectures on history of foreign classical art and methodology of Art Studies, problems of national and modern art schools in the conditions of globalization were given.

Lectures were followed by display of audio-and video records on subjects. Students actively participated in seminar occupations, discussed each subject of the program with great interest. The invited professors made a number of recommendations about subjects and contents of master and doctoral dissertations, discussed the scientific device of researches and terminology of art criticism. During the visit the prospects of further scientific cooperation in development of joint degree projects, master programs with leading universities of Lithuania and Altai Krai were planned.
