The Dissertation Council for the defence of dissertations for the award of the degree of Doctor of Philosophy (PhD), Doctor in the specialities "6D011400 - History" and "6D020300 - History" was approved by the order of the University No. 04-02-02 / 12 of February 12, 2020.

According to the new regulation of the Ministry of Education and Science of the Republic of Kazakhstan, the composition of the Dissertation Council was revised and approved by order No. 03-05 / 302 of September 01, 2020, in a new composition.

The Dissertation Council is allowed to admit to the defence of dissertations in the specialities "6D011400 - History" and "6D020300 - History". In 2020, no dissertations were submitted to the dissertation council for defence.

A scientific seminar was organized at the dissertation council, during which dissertations are discussed and preliminary examinations are carried out before the documents of doctoral students are accepted by the dissertation council.

During the reporting period, at the scientific seminar, 1 (one) dissertation work in the speciality "6D020300 - History" was discussed and sent for revision, due to the presence of many shortcomings in the dissertation.
