

Exchange of experience - a trip to Germany

Academician B. Kozhamkulov, Professor B. Akitai and doctoral student. Zh.Primkulov were on a scientific trip to the University. Otto - von - Guericke, which is located in the German city of Magdeburg. The purpose of the trip is to exchange experience and attend a training seminar "Modeling Physical and Fracture Processes in Solid Mechanics (Composite Materials and Structures)" (Modeling of physical and destructive processes in mechanics (composite materials and structures), a certificate is received, and a discussion of the practical work of doctoral student Zh.Primkulova together with the foreign head of Holm Altenbach.
