

## The schedule of open lessons is executed

In December 2018, the Department of art education completed all the planned open lessons. October 12, 2014 for doctoral degree programs "6M010700 – Fine arts and drawing", "6M041600 – Art" and "6D010700 – Fine arts and drawing" the doctor of pedagogical Sciences, Professor K. O. Zhedelov on discipline "Psychology of advertising" held an open lecture on the topic of "Advertisement through radio and television." This integrated lecture includes elements of visual and problem lectures and conference lectures. Its interactive nature allowed students to learn the material in active cooperation with the teacher.

Open lesson on the subject of "Psychology of advertising" by Professor K. O. Zhedelov with the use of interactive teaching methods on the theme of "Advertising through radio and television."

On October 10, the candidate of pedagogical Sciences, associate Professor Shaigozova Zhanerke held an open lesson on the subject of "drawing" on the topic of "Painting antique head soft materials." The complex theoretical theme was implemented thanks to a well-thought - out way of presenting video materials by students. Another source of replenishment of pedagogical experience is the participation and discussion of open lectures for faculty, undergraduates, doctoral students.

Associate Professor of "Art education", candidate of pedagogical Sciences Shaigozova Zhanerke held an open lesson on the discipline "drawing" on "Drawing a human figure" for the specialty " 5b010700-Fine arts and drawing»
