

**“Information about the work of the traditional research conference of students and undergraduates of the Kazakh language and literature department named after academician S. Kirabayev No. 73 for the 2018/2019 academic year”**

In the 2018/2019 school year, teachers of the Kazakh language and literature department named after academician S. Kirabayev, were constantly assisting in research works of students with good academic performance, studying in the Kazakh branch of the Institute of Philology and Multilingual Education, perform the role of academic leaders in academic reports, coursework and graduation projects of individual students. Research work of students is always carried out according to plan. Thanks to the conduct of research work by students, today's student contributes to the fact that future specialists will possess versatile knowledge in science, as well as the development of future professionals as a full-fledged, advanced personality.

**On november 22, 2018** Department of the Kazakh language and literature named after academician S. Kirabayev held a traditional 73rd scientific conference for students and undergraduates on the theme : **“INNOVATIONS OF PHILOLOGY: TRADITION AND ADDEDENCE”** dedicated to the 90th anniversary of the Kazakh National Pedagogical University named after Abai.

As a result of the work of the traditional 73rd scientific conference for students and undergraduates, students` performances were assessed as follows.

**AMONG the BACHELOR:**

<b>№</b>	<b>Information about the students who filled out the application and the work performed</b>	<b>Information about winners</b>
