

Internship at the Higher School of Economics

Within the framework of the International Scientific Project of Abai KazNPU “The study of the formation of reading skills of primary school students and the factors that determine it” from December 9 to 14, 2019, Associate Professor of the Department of Russian Language and Literature Madina Abayeva completed an internship at the Center for Psychometrics and Measurements in Education of the Institute of Education of the Higher School of Economics.

During the internship, M. Abayeva participated in the preparation of the project report, worked on a scientific article based on the results of project research, and also attended lectures and seminars "Reading Literacy: Problems of Formation in Primary School" organized by the center.
