

Information for authors!

Thematic focus of the «Pedagogy and Psychology» Journal of the Abai Kazakh National Pedagogical University is publishing of scientific research on current problems of the modern state of all stages and levels of education.

The journal contains the following headings: *Methodology and Theory of Pedagogy and Psychology; History of Pedagogy and Psychology; Applied Psychology and Psychotherapy; Innovations in Education; Problems and prospects of Education; Modern Methods and Technologies of Education; Education, Culture and Art in the context of the national idea «Mangilik el»; Rukhani Zhangyru: scientific, educational and cultural space.*

Journal is published 4 times a year.

Editorial Council accepts unpublished articles in the journal all scientific fields, before the 5th day of the first month of the quarter (January, April, July, October). The articles should meet the following requirements: to be presented in electronic format (in the formats doc, docx, rtf). The name of the file indicates the author's surname (if there are co-authors - the first author's surname). The font is Times New Roman, the size of the font is 14, the alignment is according to the width of the text, the spacing is single, the paragraph is 1.25 cm, the margins are upper and lower – 2 cm, the left – 3 cm, the right – 1 cm.

The tables, diagrams, figures have to be presented in a format that can be formatted (it is necessary for translation), for example: *Figure 1. Its Title, Table 1. Its Title*. The number of the tables, diagrams, drawings should not exceed 20% of the article total volume.

All articles must undergo an open reviewing (external and internal), editorial expertising and one-way blind (anonymous) reviewing.

The requirements for the article structure:

- II STI (Interstate index of scientific and technical information) – in the language of the article;
- the author's full name (capital letters in italic, initials before the last name) – in the language of the article;
- e-mail address;
- the place of work (study), city, country (in the language of the article);
- the article title (located in the center and typed with bold capital letters, – in the language of the article);
- the abstract (in the language of the article) - 100-200 words;
- the keywords/phrases (5-10 words), separated by semicolons (in the language of the article);
- the text of the article should include: **introduction** (relevance, scientific importance, purpose of the study), **the main body** (literature review, used methods, and the outcomes) and **conclusion**;
- references should be listed in alphabetical order with end-to-end numbering. The links in the text should be formatted in square brackets, it is not allowed to use special delimiters like «//» and «-». Using automatic pagination is

not permitted. The references should contain at least 20 sources published during the last 3 years, including not less than 10 foreign sources. The use of articles published in the Scopus and Web of Science databases will be considered as an advantage;

- abstracts (in addition to the bank account of the University two other languages, for example: if the article is in English, two more abstracts should be in Kazakh and in Russian - 100-200 words.

All the materials should be prepared in accordance with the requirements and carefully edited. The Editorial Council reserves the right to select articles to be published in the journal, to change the headlines, cut articles and make all the necessary stylistic corrections without the authors' consent. The authors are responsible for the accuracy of the facts published in the articles. The Editorial board opinion may be different from the published materials authors' opinion. The rejected articles are not re-accepted or considered by the Editorial Council. The manuscripts are not returned.

The volume of the article (not including II STI, the title, information about authors, annotation and keywords) should be at least 2100 words and not exceed 5000 words (from 7 to 16,5 pages, 1 page - approximately 300 words). Starting with 2019, the volume requirements for the article have been changed in accordance with the requirements of the Scopus database (Attachments 1-4).

The cost of publication is 700 tenge per page for third-party authors, 500 tenge – for authors from Abai Kazakh National Pedagogical University. The payment should be made after a positive decision of the Editorial Council by transferring to the bank account of the University with the mark «Payment for publication in the journal «Pedagogy and Psychology » (Attachment 5).

The authors are cordially asked to send the texts of the articles in printed form and copies of payment orders confirming payment on this address: 050010, Almaty, Dostyk Avenue, 13 or send by attached file on this e-mail address: **pedagogika@kaznpu.kz**, telephone: 8(727) 291-91-82.

The journal can be subscribed to in the JSC "Kazpost". Index for legal bodies and individual subscribers is 74253. Those who subscribed to the journal will be exempt from payment for the article publishing during the year.
