KAZAKH NATIONAL PEDAGOGICAL UNIVERSITY NAMED AFTER ABAI**

**INSTITUTE OF HISTORY AND SCIENCE
Faculty of History of Kazakhstan**

INFORMATION LETTER

DEAR COLLEAGUES!

The International Scientific and Practical Conference **“Political Repressions of 1937-1938 in the countries of Central Asia: features and consequences”** will be launched on **October 31, 2018** on the basis of Kazakh National Pedagogical University named after Abai.

The work of the Conference is planned in the following major scientific problems:

- "Stalin's" time in the official and national memory
- Modern resources and directions of research of mass political repressions
- Human fates in totalitarian regime
- The study of the repressions of the Stalin period: methodology and sources
- Mechanisms and bodies of political repressions: regional aspect
- Repressed and rehabilitated culture
- Problems of identification and study of new sources on the history of political repressions.

Working languages of the conference: Kazakh, Russian, English.

To publish the conference materials, please send an e-mail to ablai_angel@mail.ru by October 28, 2018 by completing the registration form on the attached form and the article containing **not more than 7 A4 pages**, typed in Microsoft Office Word editor (2003, 2007, 2010). Each article should be sent in separate letter and include one work. The letter and the attached file are named by the name of the author of the article. Scientific article should correspond to the theme of the conference, be original, relevant, have a scientific novelty, the validity of the assumptions, comply with the rules of spelling, punctuation and the designing rules indicated below.

Designing rules of the materials:

The text of the article should be not less than 7 pages, provided in Kazakh, Russian or English on paper and in electronic form (text in Word 2003, 2007, 2010 format) with the following parameters:

- **The Code of State Categories Scientific and Technical Information** is located in the upper part of the article along with the UDC (**The Code of State Categories Scientific and Technical Information** can be found on the Internet by “**the state categories of scientific and technical information**” search).
- the names and initials of authors should be placed before the title written in the language of the article;

- information about the author (authors) (in Kazakh, Russian and English): name, surname and middle name, position, place of work (full translated, officially accepted name of the organization, indicating the department, academic degree and title);
- the article is accompanied by a brief annotation (100-150 words required) and keywords (5-8 words and more) in Kazakh, Russian and English;
- “Times New Roman” font, the font size of the main text - 12 pt, drawings, diagrams - 10 pt, single line spacing; indent of the first line of the paragraph - 0.5 cm. Format - A4.
- left margin - 2 cm, right - 2 cm, top and bottom margins - 2 cm;
- the text is printed only on one side of the sheet, the pages are numbered sequentially;
- table footnotes are located under the table, footnotes (asterisks) in the text are placed at the bottom of the corresponding page;
- references to the literature are arranged in square brackets in the text of the article, indicating the source number in the bibliographic list and the page or article of the regulatory act to which the author refers, for example: [1, p. 15] (please see the literature design layouts provided in sample);
- The list of references is included in the total number of pages of the article and is drawn up at the end of the text as sources are mentioned (no more than 10) in the following sequence: author (F. I. O.), title of work (article), name of source (collection, journal and etc.), place of publication (city and publisher), month or number (magazine, newspaper), year of publication and page numbers, in accordance with GOST 7.1: 2006.
- CV with keywords must be provided in Kazakh, Russian and English languages; it should include the full legal address of the organization, the email of the author or authors should be filled out on a separate sheet after the article - this is additional information about the author is filled in for content.

• *All materials must be provided in accordance with the requirements*
