PSYCHO-CORRECTION WORK WITH JUVENILES IN CLOSED INSTITUTIONS

The new legislation of the Republic of Kazakhstan in the sphere of criminal justice pays special attention to the problems of the development of the domestic system for guaranteeing the rights of minors and the situation of children in conflict with the law. The legal protection of minors includes the protection of the rights and interests of children in the criminal justice system. In the world practice it is carried out within the framework of the juvenile system [1].
